

## Manufacturing Factory List

JQA Filing No.

This list should be submitted for new applications or for additions or changes to registered Factories.  
For a registered manufacturing Factory, enter its registration number only.

Manufacture at all registered Factories (Once you check this item, you do not need to address other items.)

Note: If different production Factories are used for different units, provide a detailed description.  
If multiple production Factories are used, additional tests may be required.

Manufacturing Factory (Registration No.: <input style="width: 80px;" type="text"/> )	
Factory name (English)	
Address & postcode (English)	
Person in charge	
Department & Title
