रूम एयर कंडीशनर (आरएसी) के सभी निर्माताओं और परमिटधारकों के लिए महत्वपूर्ण निर्देश

Important Instructions for All Manufacturers & Permittees of Room Air Conditioners (RAC)

All manufacturers and permittees of RAC registered under the S&L (Standards & Labeling) program of BEE, under the mandatory phase are hereby informed of the following:

1. Revised Star Rating Table & Validity Period

The energy performance standards for the RAC have been revised. The new star rating tables' validity shall be in accordance with the notifications mentioned below:

S.No	Appliance: Room Air Conditioner		
	Category	Validity Period	Notification Reference
1	Unitary Type Air Conditioners	1 st January 2026 to 31 st December 2029	S.O. 2794(E) dated 16th July, 2024 and
2	Split Type Air Conditioners	1 st January 2026 to 31 st December 2027	S.O. 3984(E) dated 28th August, 2025

2. Expiry of Existing Star Labels

The revised standards will come into force on 1st January 2026. Consequently, all active star labels under the current standards will automatically expire on 31st December 2025.

3. Process for Continuing Existing Models

Manufacturers/Permittees wishing to continue their BEE-approved models under the new standards must apply for the "Continuation Option" (degradation option).

- Deadline for Application:** All applications must be submitted by **10th December 2025**.
- Application Fee:** A fee of ₹ 1,000/- is applicable for the continuation of existing model.
- Portal Availability:** The continuation link ("Change of label to New label") will be available on the S&L portal starting **1st October 2025 at 10:00 Hrs.**

4. Application Procedure: Change of Label to New Label

To apply for continuation, please follow these steps:

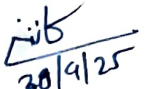

- Log in to your portal account.
- Your list of active/approved models will be displayed.
- Click the "Change of label to New label" link visible against each applicable model.
- Complete the required details in the form.
- Upload the following documents:
 - The original BEE approval letter for the model along with latest test report of the model if the earlier approval letter is more than 3-years old.
 - A new sample label for the model conforming to the revised standards and validity period.
- Submit the application.

Note: All submitted documents must be sealed and signed by an authorized signatory.

5. New Model Registrations

For the registration of new models under the revised standards, an application fee of ₹ 2,000/- shall be applicable.

Manufacturers/permittees are requested to comply with this Advisory in a timely manner to avoid any disruption in model validity under the S&L program.
